a) Hot Issues

At the last meeting we also identified a number of other hot issues for monitoring.

Those issues included:

1. TOCC residents' issues: ?
2. Chevy Chase Elementary and MCPS School Board:?
3. Firehouse: ?
4. Workforce housing?
5. Child and Family issues (Jen Burton)?
6. Town finances and revenues:?

1. We need suggestions on how to get regular information on the items on the list of proposed issues above. And...

2. We also need to know if there are other issues/agencies that we should consider monitoring.
