3) 7:30 - 8:15: Discussion to Refine LRP Recommendations for Town Strategic Plan (below)

- The LRP would like to recommend that the Town develop a Strategic Plan that identifies the priorities of the townspeople - 5 years out. This can help guide the thinking of the Town Council and Town engagements with Rockville and Annapolis.
- To implement this activity, the LRP recommends that the Town conduct neighborhood meetings, charrettes and focus groups, with an emphasis on:
 - Vision of what the residents want the Town to become
 - Long range impacts of County investments
 - Parking issues
 - Quality of Life
 - Ex: Bethesda Development affecting the quality of life of the town
 - Revenues
 - Need to plan for potential economic downturn, lower tax revenues
 - Budget Priorities
 - Parking Lots 10 & 24 - what to do with them and how to finance them

4) 8:15 - 8:30: Next Steps

- May Meeting - Date tbd
