

Town of Chevy Chase Public Services Committee  
April 28, 2022

**Meeting Minutes**

In attendance

R. Brancato, Chair  
B. Barnett, Member  
M. Coplan, Member  
D. Worsham, Member

The meeting began with a review of the status of the work of the Telecommunications Working Group. The document prepared by the group was submitted to R. Bolt who then consulted with the telecommunications attorney hired by the Town. R. Bolt then prepared the document, ***ARTICLE 1. SMALL WIRELESS TELECOMMUNICATIONS FACILITIES***, that was submitted to the committee for discussion. The members of the committee will provide comments to Bolt, and a revised document will be sent to the Town Council where it will be the subject of a Council Work Session. It is anticipated that this will occur after May 11 when the new Town Council convenes. The final document requires approval by the Town Council.

There was a discussion of Town residents' awareness of the rules and regulations of the Town and the ways to engage them in a manner that emphasizes the common good.

Topics of concern for the future were discussed. They include new streets within the former 4H Center, commercial traffic entering the Town from Connecticut Avenue, the review of Connecticut Avenue by the State Highway Administration, Town ownership of streetlights and cut-through traffic.

The meeting was adjourned after approval of the previous meeting minutes.
