

**Town of Chevy Chase
Long Range Planning Committee
Monday, October 5, 2020
7:00 pm, Virtual Meeting**

Attendees: Dedun Ingram (chair); Chris Bruch; Karen Elkins, Jay Kelly, Mark Montezemolo, Joy White, Ellen Cornelius-Ericson (Council liaison)

1. There were no public comments.
2. The minutes from the September meeting were approved.
3. Joy White led the committee through a presentation on the I-495 & I-270 Managed Lanes Project. The presentation described the project and listed the issues the Planning Board and others have raised about the Draft Environmental Impact Study and various aspects of the project. Following the presentation, the Committee discussed points it recommends the Town make in a letter to the State Highway Administration. A memo will be prepared and a draft letter and circulated to the committee prior to sending it to the Town Council for consideration.
4. The Committee received a brief overview of Thrive Montgomery and informed that Councilmember Irene Lane would be holding two information sessions about Thrive Montgomery if they'd like to get additional details. The status of Bethesda developments near the Town were discussed.
