Message from Mayor Mary Flynn

Political, regulatory and court decisions are being made in rapid succession in support of the Purple Line light rail project, and it looks like it may finally be upon us. Informal discussions with county and state officials indicate that the Capital Crescent Trail may close for construction as early as mid-September. One of the first things to occur will be tree removal.

The Town is monitoring events, and I and fellow Councilmembers are staying in close contact to determine what Town actions and comments are appropriate.

By way of background, it is important to know that the Town's official position regarding the Purple Line was set two years ago. The Council at the time resolved unanimously to "focus the Town's efforts on mitigation of, rather than opposition to, the Purple Line." The current Council, with completely new members, has maintained this policy.

Some of the mitigation efforts that the Council has taken at the advice of the Special Committee on Purple Line Mitigation include advocating for onsite mitigation of storm water treatment and management; local, rather than remote, forest conservation measures; effective noise abatement; and safe crossing of the Purple Line tracks to the Capital Crescent Trail and B-CC High School. Records of public correspondence are posted on the Town website (www.townofchevyCHASE.org).

The Town has developed relationships and will continue to work closely with representatives from the Maryland Transit Administration, Purple Line Transit Partners, Montgomery County Department of Transportation and others to advocate for the safest and least disruptive Purple Line along the Town's northern border. One of the most pressing things we are working on now is obtaining the latest project information that is pertinent to the Town's mitigation efforts.

If you are not already signed up to receive Town Crier updates, please sign up on the Town website to receive Town announcements. To receive updates from the Purple Line project itself, sign up at <http://www.purplelinemd.com>.

The Council recognizes that Town residents have strongly held opinions for and against the Purple Line. Yet most of us can agree that we all have an interest in ensuring effective mitigation of the impact of this project as it goes forward. The Council and the Special Committee on Purple Line Mitigation will remain vigilant and continue to work hard to minimize the negative effects of the construction and future operation of the Purple Line on the Town and our residents.

Neighborhood “Meet & Greets” Planned for Fall

Town Council Member Joel Rubin, who serves as the Council’s Community Liaison, is planning to hold a series of neighborhood “Meet and Greets” this fall to engage residents about the Town and how the Council does its work. We will identify four neighborhood areas for outreach, including private homes to potentially host the events. The goal is to have one event each in September, October, November, and December. Each event will last approximately 90 minutes and will likely be held in the late morning on either a Saturday or Sunday.

These events will be an opportunity not only for residents to share their views of Town activities with one or more Council Members directly, but also for Town officials to discuss how residents can participate meaningfully in Town affairs. If successful, these events will continue into next year.

Seeking a Co-Chair for the Community Relations Committee

The current Chair of the Community Relations Committee (CRC) is concluding her service next year, and we are looking for someone to volunteer as co-chair who can be trained to lead this vibrant “hands-on” committee. The CRC is an active group of people, most of whom work full time, have families, and still enjoy planning and working on events to enhance the lives of Town residents. If you have attended the Chili Dinner, the Independence Day celebration, a movie night or the semi-annual Art Show, then you have reaped the benefit of this committee’s work. If you would like these events to continue, and help plan other new events, please don’t wait. Contact the Town and volunteer now to be the new co-chair. Call 301-633-2948 or email townoffice@townofchevy Chase.org.

TOWN EVENTS

The Rockville Concert Band

Kick off fall by hearing Rockville's premier band, The Rockville Concert Band, play some rousing music including marches and show tunes on **Sunday, September 17 from 6 to 7 p.m.** on the grounds of the Lawton Community Center. The band has played in a variety of venues including the Millennial Stage/Kennedy Center, National Cathedral and two European tours. A bonus is to hear Town of Chevy Chase Councilmember Barney Rush (sax) and town resident Julie Stanish (clarinet). And, to make it a complete evening, you'll find two terrific food trucks, *Tasty Grill to Go* (Middle Eastern) and *Say Cheese* (Grilled Cheese +), that will be on site starting at 5 p.m. Come and meet your neighbors, eat some fun food and hear some terrific all-American band music. Great for young, old and everyone in between.

Veterans Town Hall Event in November

The Community Relations Committee is planning a Veterans Town Hall event to take place in November 2017. If this event is to happen, the Community Relations Committee needs to know how many veterans are living in the Town and if there is interest among our veterans in taking part. We hope to have veterans from all wars and branches of service involved.

The Town Hall event will be based on the Veterans Town Hall project that Sebastian Junger has been organizing, and Representative Seth Moulton (D-Mass) who served as a Marine lieutenant in Iraq, has espoused in Congress. You can read more about the premise of the Veterans Town Hall at <http://www.sebastianjunger.com/vets-town-hall/>.

If you are a veteran, please send your name and contact information to Wicca Davidson at wicca@wiccadavidson.com. The Community Relations Committee needs to have all responses by September 30 to determine if there are enough veterans living in town for this to be a meaningful event.

Save The Date ~ Flu Clinic! Tuesday, October 17, 4-7 p.m. in the Town Hall. More information will be included in the October Forecast newsletter.

TRASH & TREASURES

The Town's fall Trash and Treasures is scheduled for the weekend of **September 23 & 24**. The Town offers this bulk trash pickup so that residents can dispose of items that are no longer usable, such as appliances (doors must be removed for safety), furniture, rolled rugs, mattresses, games and bikes. If the items are usable, we encourage you to review the list of **Alternatives to Trash and Treasures** (see reverse). We have tried to give you a variety of options.

GUIDELINES

- Please remember to bag, box or contain all of your discards.
- Please do not put items on the curb before Friday afternoon, September 22.
- The following items will not be picked up:
 - NO construction debris
