

holiday light RECYCLING

FREE LED BULB SWAP & CHANCE TO WIN STROSNIDERS \$50 GIFT CARDS

**THURS. DEC 6 FROM 7 – 8:30 PM
TOWN HALL**

We all know that LEDs are *way better* for the environment than their incandescent forefathers. But, if you're still teetering on the fence between LED and incandescent, **MoCo DEP and Strosniders has offered Town residents an incentive.**

Swap your old incandescent bulbs, fluorescent lights, and Holiday lights for FREE LED bulbs provided by MoCo DEP. Plus, Strosniders is giving away 2 - \$50 gift cards to the two residents who recycle the most bulbs.

Working together for a cleaner, greener
economically vibrant community

Making the Switch to LED
is Easier Than You Think

Swapping Out Just One
Light Bulb for an LED
Bulb Decreases Energy
Consumption by 70 % -
90%

Swapping One Light Bulb
Results in \$30 - \$80
Savings on Utilities Over
LED Bulb's Lifespan

Strosniders sells a broad
range of LED bulbs &
LED Holiday lights, and
has the expertise to help
you determine which
bulbs are best for you.

7:00 PM
Educational
Session:

*The Many Values of
LED Lighting*
