

LRPC April 25, 2023

Attendance: Tandra, Rohit, Dedun, David, David, Joel

Minutes adopted.

Old Business: FWM Park.

Lot 10-little dog park and big dog park

Lot 24-Pool is too big, concept plan was overcrowded,

Maybe the Town Council could summarize the Town's feelings, just report the information, let the government do their thing, there were 20 people who voted for dog park, open green space, and shaded area

Maybe the Town Council could have another session with just the town, working session to prioritize the top 5 things and give a strong push from town to county

When are the comments due? MoCo is closing the survey/comments April 30th.

In-person meetings generate lower turnout than a paper push

We have the data: 23 people want a dog park, 13 people do not

Pick the items that show up most often. Look at pre and post charette to find repeat comments.

Pick the top 10 most frequent items commented on.

One page memo to council.

They could pass it on to the architects. These are the concerns and the architects might be able to mitigate some of them. Could the amphitheater be multi-purpose or flexible space. Could things be there then taken down.

Ask to present our preliminary findings at the Annual Meeting then formal memo by May 10.

Ask when would it be most helpful for council to receive it and move forward with the County.

New Business: none.

Adjourned: 7:50pm
