Donna Worsham  
Richard Brancato  
Gautam Prakash  
Howard Berkof

The meeting began via Zoom at 7:30 pm. No residents gave comments.

The Committee continued discussion on traffic/pedestrian safety measures in the Town. The Town Council approved a speed bump on lower Maple near the intersection with Leland St. Traffic counts and vehicle speeds on Maple between Aspen and Blackthorn were shown to meet the new criteria for installation of a speed hump. Some residents have complained about people turning onto Maple from E/W Hwy (illegal turns) and the Committee felt that the Town's traffic consultant should be asked to explore ways to stop traffic from entering. The Town Council approved purchase of 3 blinking stop signs and the Town Manager will explore appropriate placements.

The Committee's information to Town residents will be put into the Town's December newsletter. It informs residents of traffic safety measures and rules and asks for volunteers to assist the Committee's 5G Working Group.

There being no new business the meeting was adjourned.
