

Public Services - final October 2011

Mission Statement:

The Public Services Committee of the Town of Chevy Chase is charged with helping the Town deliver high quality services and promote a safe environment for our residents. Public services of interest include those provided solely by the Town as well as those services that are partially or fully provided by other governmental and/or private entities. These services include public safety, water run-off, utilities and Town maintenance.

Completed

- Meet & confer with other governmental entities to resolve storm water issues (Phase I & 2 completed; Phase 3 approved); IV.5.B.1
- Develop and advise residents on Consulting Water Management Program; IV.5.B.1
- Evaluate street lighting and hold forums to educate public; I.2.C
- Evaluate street lighting and make recommendation to Town Council

On-Going

- Evaluate, implement & monitor public safety issues; I.2.C.1-2
- Evaluate existing service amenities (e.g., traffic, sidewalks, parking enforcement); III.2.A.1-2
- Consider new service amenities and implement, if appropriate; III.2.B.1-2
- Educate residents about community safety and preparedness -- coordinate with Community Relations; I.2.D.1

Priority Tasks for '11-'12

- Implement street lighting procedures with Town staff; Meet with PEPCO to determine options for purchase of street lights or implementing new technologies; Contact other municipalities that have purchased their street lights to determine best practices
- Evaluate need for and recommend additional sidewalks; Provide evaluation results and recommendations to Council for consideration
- Evaluate permit parking regulations, including resident petition and survey requirements, and report to Council
